5) Do you have friends or family (18+) inquiring about how to start Pickleball? Feel free to share our response to that! “At this time, our Club does not have an organized lesson program, however, Gaylene Little @ 306-741-7049 and Jerry Funk @ 306-774-4003 generously offer free lessons for beginners who are new to the game. Their volunteer coaching provides a welcoming and supportive way for new players to learn the basics, develop proper skills, and gain the confidence to join regular club play and enjoy the sport of pickleball.” If they are further interested, direct them to the Pickleball Canada website to obtain a SC Pickleball Club membership! <https://pickleballcanada.org/>
